VISION FOR CHILDREN House of Hope

2023 - A New Team

The ministry team arrived with excitement on Sunday, settling in at Casa Esperanza, enjoying a loving welcome, and a fast growing fellowship. Please pray for:

- Effective work, safety, abundant love and sweet fellowship
- Jesus to be seen more fully as the author of all blessings and the faithful, worthy Lord of all.

Thoughts on Mission Teams

There are many blessings to discover when reaching outside your routine and joining a short-term team to minister to others. Whether young or older, first-timer or after decades of such service, we all learn to trust God and are. blessed to see the reality of His love.

Sometimes we are called to stay put and pray support for others. But when a call comes and is answered by willing hearts, God's blessings abound. Here are old friends and newbies, tasting the communion we share in Jesus Christ, serving together from different churches, cultures and even continents. Even if difficult at times, such life in the Body is a sweet blessing and life impacting. time.
